WHY

should you go to

YEARBOOK

CAMP

this summer?

CAMP IS:

- * An awesome place to meet other YERDS like you who share your excitement and enthusiasm for yearbook.
- * Where you can watch your friends embarrass themselves during the hypnotist show.
- * An opportunity to finalize the theme, cover, endsheets, layout design and ladder.
- * The best escape from your parents for a couple of days over the summer.
- * A way to preview college life.
- * A one-of-a-kind experience and a place to create long-lasting friendships.
- * A place to get feedback on your ideas from yearbook gurus from across the country.
- * An excuse to dress up like your favorite decade or historical figure and attend our Make History Party.
- * A place to win awesome prizes like an iPad mini or Kindle Fire
- * FUN!!!!!! (We promise!)
